

NON-STOP TRAFFIC FLOW

RETAIL

Easily manage your vertical transportation needs

It's two days before the holiday rush and the escalators are down. You can trust Oracle Elevator to get the job done. Our vast national resources and technical knowledge of every OEM enable us to solve issues quickly and efficiently.

ANY EQUIPMENT, BY ANY OEM

- Servicing all vertical transportation units including: cart conveyors, material lifts, escalators and elevators
- Servicing equipment by Schindler, Kone, ThyssenKrupp, Otis, and PFlow

MINIMAL INTERRUPTION

- Fully licensed and insured technicians, highly skilled to quickly diagnose and repair
- Knowledgeable of building codes to prevent violations
- Problem solving attitude

3RD PARTY MANAGEMENT

- Easily work alongside facilities management groups like: CBRE ServiceChannel, and JLL
- Manage all vertical transportation units from a single dashboard

MULTIPLE UNITS, ONE SERVICE AGREEMENT

We make every effort to find convenient solutions to create lasting partnerships with our clients. Oracle Elevator boasts a proud record of satisfied clients because of our commitment to exceptional customer service. **Find out how Oracle Elevator can provide seamless, easy solutions for your facility.**
